STEP 7

Click on Create a class name

The screenshot shows a web form titled "Major class name Creating a new major class". On the left is a vertical sidebar with a list of items: "ss", "XUS", and "Active". The main form area contains several input fields. The "Name" field, which contains the text "Create a class name", is highlighted with a red rectangular border. Other fields include "Interface ID" (containing "Enter Interface ID"), "Points earned per dollar" (containing "Points earned per dollar"), "Sub total group" (containing "Choose sub total group"), "Course" (containing "Loading..."), and "Active" (with a checked checkbox). A "Permission level" field with the text "Choose permission set" is visible at the bottom of the form.

STEP 8

Click on Enter Interface ID

This screenshot shows the same "Major class name Creating a new major class" form. In this step, the "Interface ID" field, which contains the text "Enter Interface ID", is highlighted with a red rectangular border. The sidebar on the left remains the same. The "Name" field still contains "Create a class name". The "Active" checkbox is checked. The "Permission level" field at the bottom contains the text "Choose permission set".

STEP 17

Click on Choose availability

The screenshot shows a web interface for creating a new major class. At the top, there is a dark header bar. Below it, a light gray bar contains the text "Major class name" followed by "Creating a new major class". Underneath, there is a section labeled "Availability" on the left. To the right of this label is a button labeled "Choose availability", which is highlighted with a red rectangular border.

STEP 18

Click on Taxes

The screenshot shows a web interface for the "Availability" section. On the left, there is a vertical sidebar with a list of options: "Printing", "Availability", "Taxes", and "Miscellaneous". The "Availability" option is currently selected, indicated by a green dot. The "Taxes" option is highlighted with a red rectangular border. To the right of the sidebar, there is a main content area with the heading "Availability" and a button labeled "Choose availability".

STEP 19

Click on Choose taxes

The screenshot shows a web interface for creating a new major class. At the top, there is a header bar with a dark background. Below it, a light gray bar contains the text "Major class name Creating a new major class". Underneath, there is a section labeled "Taxes" on the left. To the right of "Taxes" is a button labeled "Choose taxes", which is highlighted with a red rectangular border.

STEP 20

Click on Miscellaneous

The screenshot shows the same web interface as in Step 19, but with more content visible. On the left side, there is a sidebar menu with several items: "Groups", "Questions", "Create Class", "Printing", "Availability", "Taxes", "Miscellaneous", "Hold time", "Cook time", "Not a sale class", "Employees", "Permissions", and "Report/Export". The "Miscellaneous" item is highlighted with a red rectangular border. To the right of the sidebar, there is a form area with the following fields: "Hold time" (value 0), "Cook time" (value 0), and "Not a sale class" (toggle switch).

STEP 21

Click on Hold Time

Cook time0

Not a sale class

STEP 22

Click on Cook Time

Major class name Creating a new major class

Hold time0

Cook time0

Not a sale class

STEP 23

Click on Not a sale class

The screenshot shows the 'Create Class' form in the Silverware system. On the left is a sidebar with tabs: 'Create Class', 'Printing', 'Availability', 'Taxes', and 'Miscellaneous'. The 'Miscellaneous' tab is selected. The main area is titled 'Major class name Creating a new major class'. It contains two input fields: 'Hold time' with the value '0' and 'Cook time' with the value '0'. Below these is a toggle switch labeled 'Not a sale class', which is currently turned off. A red rectangular box highlights the 'Not a sale class' label and the toggle switch.

STEP 24

Click on Save

The screenshot shows the Silverware interface. At the top right, there is a dark header bar with a question mark icon and a user icon. Below this is a light gray bar containing a green 'Save' button with a dropdown arrow. A red rectangular box highlights the 'Save' button. Below the 'Save' button is a large white area with a gray border and a downward arrow icon in the bottom right corner. At the bottom of the screen, there is a green bar with the text '1 5 +' and a three-dot menu icon. Below this bar are two gray arrows pointing to the right.
